

Safety instructions for visitors / Instrucțiuni pentru Vizitatori

Raspunde la intrebarile ce urmeaza: / Answer to the following questions:

- Ma pot impiedica, aluneca? / Can I trip/fall?
- Exista pericolul ca ceva sa cada peste mine, sau eu sa cad de la inaltime? / Is there any danger for me to fall from heights or materials to fall?
- Calea de acces este sigura?
- Accesul este suficient iluminat? / The access path is sufficiently lit?
- Am nevoie de instruire suplimentara? / Do I need additional training?
- Sunt echipat corespunzator cu echipament **individual** de protectie? / Do I wear appropriate PPE?
- Cunosc procedura de evacuare in caz de incendiu? / Am I aware of the emergency evacuation routes?
- Daca nu o poti face in siguranta, nu o face! / If you cannot do it safely, don't do it!

Scope/Scop

This leaflet has been produced with a view to ensure that all visitors to our site receive a proper welcome and get a basic understanding of security and safety in the facilities that they are visiting. /Acest card urmareste ca vizitatorii din santierul nostru sa primeasca instructiuni utile privind securitatea muncii in timpul vizitelor pe santierele noastre.

Responsibilities / Responsabilitati

Site managers / Safety coordinator should organise printing and distribution of the card (guidelines next page) to all employees in the site office and ensure that copies are available at the Gate for any visitors. /Sefi de santiere, Coordonatorii SSM trebuie sa se asigure ca este printat un numar suficient de carduri si acestea sunt distribuite pe santier la punctul de paza si in birouri.

Employees and visitors should familiarise themselves with the content for their own benefit and so that they can relay a short summary of its contents to any visitors to the site. /Lucratorii si vizitatorii trebuie sa se familiarizeze cu continutul acestui card si sa respecte instructiunile de pe el (ghidul detaliat, pe verso)

(information continued on slide 2 / informația continua pe verso)

Inregistrarea prezentei Dumneavoastra pe santier / Recording the presence on site

Inregistrati-va in Registrul de vizitatori la Poarta 1 / Register at the Gate 1

Insotitorul /

Gazda dumneavoastra va va insoti in santier pe toata durata vizitei. Nu intrati in incinta santierului neinsotiti de un reprezentant al conducerii santierului. Acestia va vor informa asupra pericolelor si procedurilor de urgenta/evacuare in caz de incendiu.

Echipamentul individual de protectie

Vizitatorii vor fi insotiti pe toata durata vizitei in santier. Purtarea EIP pe santier este obligatorie: casca, vesta reflectorizanta, incaltaminte adecvata. Solicitati acest echipament insotitorului Dvs. si returnati-l la sfarsitul vizitei.

Comportamentul in santier

Asigurati-va intotdeauna ca pe toata durata deplasarii in incinta santierului sunteti in siguranta. Urmati intocmai regulile si procedurile santierului si raportati insotitorului Dumneavoastra orice situatie periculoasa la care ati putea fi martori.

Accidente / Situatii periculoase / Incidente

Toate incidentele, accidentele si situatiile periculoase trebuiesc raportate insotitorului dumneavoastra. Dati toate informatiile posibile.

Telefoanele mobile

Va rugam evitati pe cat posibil folosirea telefoanelor mobile in timpul vizitei. O conversatie telefonica v-ar putea distrage atentia, punandu-va astfel in situatii de producere a accidentelor.

Urgente

Va rugam sa raportati situatiile de urgenta agentului de paza la iesire.

Incendii

La auzirea alarmei de incendiu, va rugam sa parasiti cu calm santierul urmand rutele de evacuare

Va rugam sa nu folositi lifturile pentru evacuare.

Mergeti catre locul de adunare in caz de incendiu localizat in fata Portii de acces nr. 1

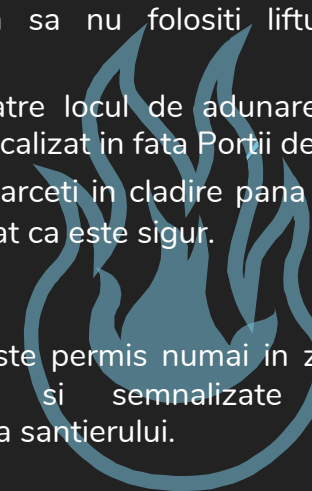

Nu va intoarceti in cladire pana cand nu ati fost anuntat ca este sigur.

Fumatul

Fumatul este permis numai in zone special amenajate si semnalizate de catre conducerea santierului.

Scari de acces

Va rugam sa fiti atenti cand folositi scarile de acces. Folositi balustradele.

Check in/check out

Visitors will record their names at the Event entrance. **COVID 19 green pass should be provided at this point.**

Host

Your host will direct you from the Access Point and escort you on site at all times.

Security

Visitors must be accompanied at all times and wear the appropriate site PPE (vests, safety helmet) which must be returned at the end of the visit. Visitors should wear masks to cover mouth and nose at all times.

Emergencies

Please report emergencies to Security on exit

Safe conduct

Always take care to ensure the safety of yourself and others who could be affected by your actions. Follow the site rules and procedures at all times. Report any safety or health hazards promptly to your host. Maintain a safe distance from other participants.

Accidents / Illness / Near Miss

All incidents, illness and near-misses must be reported to your host. Give as much information as possible.

Mobile phones

Please avoid to use mobile phones while visiting. Your phone conversation can distress you and put you at risk.

Fire

On hearing the alarm, please evacuate the site/office using the emergency routes.

Do not use lifts during the evacuation.

Proceed to the Muster Point at the entrance. As a visitor you should assemble at the Muster Point where the 'visitors' sign will be held.

Do not return to the site until the Fire Marshal has announced that it is safe to do so.

Smoking

Smoking is allowed only in designated areas signalized accordingly
